

OWM's Junior Internship Program 2017

Activating high school students to reach the masses.

Mission	Raise up a generation of young people who are 1. passionate about Christ and 2. serving His Kingdom, making a meaningful difference around the world.
Vision	Summer internship for 3 half days a week that provides 1. students with opportunities to use their interests and skills for ministry 2. students with challenging discipleship to live a life fully for Christ 3. OWM with needed help in those ministry areas
Who Can Intern?	The Junior Internship Program is for high school students who have completed 1 year of high school or more, and those entering college. We are looking for high school students who want to grow closer to Christ and who are willing to use their time and abilities to advance the gospel worldwide. Skills Needed: ability to use a computer and do research online, willingness to serve wherever needed, flexibility, ability to work well in teams
Why Intern?	<i>Interning at OWM can change your life!</i> 1) Learn: gain a better understanding of the state of the world 1) articulate and know how to share their faith and have opportunities to do that 2) be exposed to teaching on various issues from different people advancing the gospel 2) Serve: hands on outreach opportunities outside of evangelism 3) Discover: a little more about where in God's Kingdom they can contribute in their lifetime 4) Commit: be challenged to commit themselves to the advancement of the gospel for their lifetime 5) Unite: Connect and meet and gain a community of like-minded believers
Core Values	- Learn - Work hard and effectively - Have fun along the way!
2016 Theme	FIRST - Seek first God's Kingdom
Schedule	9 weeks: June 7-August 4, 2017 Monday, Wednesday, Thursday mornings: 8:30am-noon Commitment: Family vacation absences excused, but otherwise students should commit to the internship. Interns will spend a portion of every morning in small group or team discipleship, and a portion of their day serving in the various ministry projects of OWM.
