

## **Audio Production Track**

**Our mission:** To activate young adults to exalt Christ and advance His Gospel to the multitudes, by awakening hearts to Jesus, inspiring dreams for the Kingdom, and engaging hands in the Great Commission.

**Community & Discipleship:** Audio Production Interns, like all participants in OneWay's Internship & Discipleship program, will live in community housing and participate in our intensive discipleship program. We believe that all effective ministry comes out of the overflow of an intimate relationship with Jesus and a heart for His Kingdom. Our primary priority is to foster this in our interns through spiritual discipleship, teaching, mentorship, community outreach and events, prayer & worship, and sharpening peer relationships as we live and minister together in intentional community.

### **Audio Production Track Responsibilities:**

- Music Production: Interns assist with recording, mixing, and mastering original music and other ministry resources focused on reaching people for Christ.
- Audio Engineering: Interns will also get experience recording various artists for a wide range of creative projects.
- Prayercast Audio Production: Interns will help to produce the audio elements for each Prayercast video by editing music and prayer tracks, and preparing them to be combined with video.
- Live Sound: Interns assist in setting up and running live sound for staff, ministry events, and community events

*BONUS: We are passionate about giving our interns opportunities to explore their own creative capacities and passions, and give space for personal creative project development as other work responsibilities are fulfilled.*

### **Qualifications:**

Experience in ProTools and Logic is preferred. Interns must also have audio production experience and/or be currently enrolled in an audio production program. Interns must be in committed, growing relationship with Christ.

### **Timeframe:**

2020 Summer Internship & Discipleship Program is from May 26-July 31. This is a full-time, residentially-based discipleship & work program.

**Compensation:** We consider all staff and interns to be on mission, and highly value the work produced by participants in our program. Thus, we provide training and assistance to raise up to **\$3,500** to cover the program cost and a personal stipend of **\$2250**.

**Cost:** The cost of the program is \$1250 for the summer. This cost can be covered through support raising and includes community housing for the summer, team activities and retreat trips, community meals & events, program materials & supplies, and staff administration fees.
