ANSWERED PRAYERS FROM APRIL

Thank you for joining us in prayer for these ministries. Here are three updates in answer to your prayers!

HEART BIBLE FOR THE NATIONS

TRAINING: Praise God that the training in Cairo, Egypt last month was received joyfully. The pastor who coordinated the training was amazed, saying he had never experienced a conference where the participants were so enthusiastic. He said, "Usually they are looking at their watches, complaining and going in and out of the meetings. These people were happy the entire time and would not leave at the end of the day."

EVANGELISM TEAM TRIP: Last month, OneWay team members joined many volunteers overseas who were reaching out to tourists from a closed country. Forty-four people from this closed country professed faith in Jesus! Please pray for their faith and safety as they seek to be rooted in Christ in a dry and weary land.

BIBLEPLUS RECORDING TRIP: We thank the Lord for two Ghanaian missionaries and their preparation work with the local council of churches and pastors/leaders. They did an AMAZING job getting people ready and excited to participate for the BiblePlus team's mid-April recording trip. The team finished recordings in the Sissala language and the Konkomba language of two regions. Join in praying that these resources will be ready by the end of the year for distribution.

ANDREW MURRAY ON PRAYER:

One of the greatest drawbacks to the life of prayer is that the answer does not come as quickly as we expect. We are discouraged and think: "Perhaps I do not pray right." So we do not persevere.

Jesus often talked about this. There may be a reason for the delay, and the waiting may bring a blessing. Our desire must grow deeper and stronger, and we must ask with our whole heart. God puts us into the practicing school of persevering prayer so that our weak faith may be strengthened.

Above all, God wants to draw us into closer fellowship with Him. When our prayers are not answered, we learn that the fellowship and love of God are more to us than the answers of our requests, and then we continue in prayer.

Do not be impatient or discouraged if the answer does not come. "Always be prayerful." "Keep on praying." You will find real blessing in doing so.
