

Video Production Track

Our mission: To activate young adults to exalt Christ and advance His Gospel to the multitudes, by awakening hearts to Jesus, inspiring dreams for the Kingdom, and engaging hands in the Great Commission.

Community & Discipleship: Video Production interns, like all participants in OneWay's Internship & Discipleship program, will live in community housing and participate in our intensive discipleship program. We believe that all effective ministry comes out of the overflow of an intimate relationship with Jesus and a heart for His Kingdom. Our primary priority is to foster this in our interns through spiritual discipleship, teaching, mentorship, community outreach and events, prayer & worship, and sharpening peer relationships as we live and minister together in intentional community.

Video Production Track Responsibilities:

- Gather, compile, and edit materials for OWM videos and resources
- Contribute directly to the production of OWM Prayercast videos
- Assist OWM Studios in client-based video work (working with the various ministries and partners of OWM to creatively communicate their visions and needs and tell the stories of what God is doing through them)
- Potentially travel with local or international ministry partners to creatively communicate the stories and status of God's work through their ministry; assist ministry leaders in effectively showing and telling the story of the ministry
- Collaborate with other media ministries of OWM to together generate creative media projects to awaken hearts, inspire minds, and engage hands in the Great Commission

BONUS: We are passionate about giving our interns opportunities to explore their own creative capacities and passions, and give space for personal creative project development as other work responsibilities are fulfilled.

Qualifications:

Experience in professional video editing software is required (Final Cut Pro, Premier, etc.). Passion, skill, and training in video editing, creative storytelling, and a desire to use those traits to advance the gospel are strongly recommended as well.

Timeframe:

Our 2020 Summer Internship & Discipleship Program is from May 26-July 31. This is a full-time, residentially-based discipleship & work program.

Compensation: We consider all staff and interns to be on mission, and highly value the work produced by participants in our program. Thus, we provide training and assistance to raise up to **\$3,500** to cover the program cost and a personal stipend of **\$2250**.

Cost: The cost of the program is \$1250 for the summer. This cost can be covered through support raising and includes community housing for the summer, team activities and retreat trips, community meals & events, program materials & supplies, and staff administration fees.
