OUR MISSION

To activate young adults to exalt Christ and advance His Gospel to the multitudes, by awakening hearts to Jesus, inspiring dreams for the Kingdom and engaging hands in the Great Commission.

COMMUNITY & DISCIPLESHIP

Video Production Interns and Residents, like all participants in OneWay's Internship/Residency program, will live in community housing and participate in our intensive discipleship program. We believe that all effective ministry comes out of the overflow of an intimate relationship with Jesus and a heart for His Kingdom. Our primary priority is to foster this in our interns through spiritual discipleship, teaching, mentorship, community outreach and events, prayer and worship, and sharpening peer relationships as we live and minister together in intentional community.

VIDEO PRODUCTION TRACK RESPONSIBILITIES

- Gather, compile and edit materials for OneWay videos and resources
- Contribute directly to the production of OneWay Prayercast videos
- Assist OneWay Studios in client-based video work (working with the various ministries and partners of OneWay to creatively communicate their visions and needs and tell the stories of what God is doing through them)
- Potentially travel with local or international ministry partners to creatively communicate the stories and status of God's work through their ministry; assist ministry leaders in effectively showing and telling the story of the ministry
- Collaborate with other media ministries of OneWay to generate creative media projects to awaken hearts, inspire minds and engage hands in the Great Commission

QUALIFICATIONS

Experience in professional video editing software is required (Final Cut Pro, Premier, etc.). Passion, skill and training in video editing, a heart for creative storytelling and a desire to use those traits to advance the Gospel are strongly recommended as well. Interns must be in a committed, growing relationship with Christ.

BONUS

We are passionate about giving our Interns and Residents opportunities to explore their own creative capacities and passions, and give space for personal creative project development as other work responsibilities are fulfilled.
