

1 **INTERNS:** Father, as young adults serve for one last day, may they not miss the deeper work You have been doing in them. Help them wrestle honestly, grow deeply, and emerge more rooted in their identity as Your sons and daughters.

2 **LAST DAY OF INTERNSHIP:** Lord, as OneWay's summer interns move back home today, comfort them through the sadness of goodbyes. Remind them to carry the skills and lessons they learned into their next semester.

3 **GRACE ON THE FIELD:** Father, give the D. family wisdom in caring for one another as husband, wife, parent, child, friend, and neighbor. Help them step into another year of overseas service with grace and strength.

4 **PROJECT PLANNING:** God of wisdom, help OneWay's Media team discern which projects to pursue and which to release. Guide them so that every effort aligns with Your will and timing.

5 **TYRANNUS SCHOOL:** Father, grant Brother Phillip wisdom and discernment as he selects students for the new Tyrannus Missionary School in Côte d'Ivoire. Raise up students who will be faithful to Your call.

6 **FUTURE MISSIONARIES:** Thank You, Lord, for the 18 students who committed to stay for the 3-month Livingstone School of Missions after a month of initial training. Give them endurance, joy, and boldness as they continue to learn.

7 **MEDIA STAFF NEEDS:** Father, provide the right people for key roles — those with vision and skill in content acquisition, media project management, and video expertise.

8 **WISDOM IN STORYTELLING:** God, as the MNN team chooses which global stories to tell, grant them discernment to highlight the right stories. May their work move hearts not only to awareness but to intercession and action.

9 **PURPOSEFUL BLOGS:** God, use Stan Key's words to stir both faith and action as OneWay's "minister at large." Let his blogs inspire readers and mobilize them to respond to You faithfully.

10 **FAITH IN THE GAPS:** Lord, when funding falls short or delays come, may our trust in You not waver. Help our teams walk in faith, steward wisely, and celebrate every provision as a sign of Your faithful hand.

11 **TEAM GATHERING:** Lord, as the Heart Bible leadership team gathers in Minnesota, we pray for unity, joy, and renewed vision. May this time together strengthen relationships, spark creativity, and equip the team for what lies ahead.

12 **HUNGER FOR TRUTH:** God, draw spiritually curious people to digital spaces where they can encounter You. May every gospel-centered message land in a heart You've prepared, and may these seekers discover the beauty of Christ.

13 **RECURRING PARTNERS:** Father, we ask for more monthly givers to support OneWay Africa's projects. Grant wisdom to those leading this effort and stir hearts to give joyfully.

14 **MOBILIZATION CONFERENCE:** God, bless Streams of Living Water's upcoming Mobilization Conference near Cairo this August. Prepare the hearts of attendees and bring in those whom You are calling into full-time ministry.

15 **ACTIVATED FOR MISSIONS:** Lord, stir those who are restless for more through conferences, mentorships, and prayer. Call people out of complacency and into wholehearted surrender to Your global purposes.

16 **STRATEGIC CHOICES:** Father, as Heart Bible for the Nations plans future trainings and trips, grant wisdom and discernment. Help them use time and resources wisely for the sake of Your Word going deeper and further.

17 **JESUS FILM RIDERS:** A OneWay Africa Jesus Film Rider was in a motorbike accident last month. Lord, bring him complete healing. Watch over all these riders as they risk their lives to spread the gospel. Be their shield and strength.

18 **MINISTRY PARTNERS:** Father, thank You for the many partners using Mission Network News to mobilize prayer and advocacy. Show us how to help them use MNN's resources to strengthen their ministry work.

19 **VOICES OF PRAYER:** Lord, continue raising up diverse voices from every nation to cry out through Prayercast. Let each prayer carry both the ache of injustice and the hope of Christ into the hearts of believers around the world.

20

GLOBAL COLLABORATION: God, bless the work between PrayerCast and international translation teams. Help communication to be clear and mutual respect to abound, so that prayers will be lifted up in many languages.

21

NEW SEASON: Lord, as the D. family begins another year overseas and walks through difficulty with family back in America, be their anchor. Guide their hearts to seek You first in every uncertainty.

22

SECRET BELIEVERS: Partners of OneWay's Digital Evangelist face many moral dilemmas at work because they hide their faith to avoid intense persecution. Father, You know that they lack Christian discipleship to respond to situations that would be difficult for any of your children. But You also know the opportunity they have to work good within a corrupt system. Give them the wisdom of Solomon in what seem like impossible situations.

23

MISSIONS MOBILIZATION: We ask You, our creative God, to show us new ways to mobilize believers. We long to see every person fully engaged in Your mission—creatively, courageously, and with a heart that beats for the nations.

24

CREATIVE BREAKTHROUGHS: Father, surprise the Engagement team with fresh ideas. Spark creative breakthroughs that will enhance the team's work and move more believers toward global missions.

25

PRAYER NETWORKS: Lord, help the OneWay build strong networks that reach with those who may not yet know global needs — and give them a heart to pray and act with compassion.

26

STAFF RETREAT: As OneWay staff gathers from around the country for the U.S. team retreat, grant protection, community, and a vision for the future, Lord. May they leave refreshed with renewed purpose!

27

FIELD WORKER SAFETY: Lord, protect Streams' field workers serving in dangerous places like Lebanon, Kenya, Sudan, Mauritania, Rwanda, Mali, and beyond. Be their refuge and strength in every trial.

28

ONE80 SEASON 4: Lord, we lift up Season 4 of the One80 podcast. Please protect the guests physically and spiritually, and use their testimonies to glorify You.

29

CLARITY AFTER TRAVEL: God, after a full season of travel, help OneWay's digital evangelist return to the work with renewed focus and clarity. May every message, meeting, and project be sharpened for greater gospel impact.

30

GAMBALA REVIVAL: Thank You, Lord, for the hundreds of new Sudanese believers in the Gambala refugee camps in Ethiopia. Strengthen them and empower Streams' field workers, especially Pastor Yohanna, as they lead this revival in the midst of war.

31

GRACE AND CAPACITY: Father, in this season of a smaller finance team, we ask for supernatural efficiency paired with deep rest. Sustain them with joy and peace as they steward resources for Kingdom work.
